

Keep Jackson Beautiful

Keep Jackson Beautiful's goal is to build and maintain a cleanliness ethic that eliminates littering, encourages recycling, protects the future of our urban forests, and fosters the beautification of public spaces.

TAKE PRIDE IN YOUR BUSINESS

Jackson businesses take pride in their property and work together to maintain the very best appearance for the overall beautification of our city. Occasionally, however, it is necessary for someone to report a problem that has cause for concern. Please help us by giving prompt attention to the following:

- _____ Parking Area – Trash Thrown on Grounds
Place plenty of trash receptacles in lot for easy access.
- _____ Grounds – High Grass and Weeds
Mow grounds regularly.
- _____ Curbs and Gutters – Accumulations of Litter and Dirt
Edge grass along curbs and properly dispose of grass clippings, litter, cigarette butts and dirt before they clog streets and gutters. Do not blow grass clippings into street.
- _____ Dumpster Area – Trash Improperly Placed in Container
Sweep up loose trash and secure lid on container. Make sure dumpsters or trash containers are large enough. Always keep lids to commercial dumpsters closed during the day and locked at night. Schedule frequent pick-ups to prevent overflows. Pick-up loose trash around dumpsters every evening.
- _____ Loading Dock – Uncontainerized Trash
Keep area clean to prevent trash from blowing into street or onto adjoining property.

Although the dumpster area may be on the side or at the rear of your business, these are visible areas and proper maintenance is required to prevent trash from blowing into streets and onto other properties.

A CLEAN CITY IS NOT JUST "GOOD BUSINESS", IT IS "GOOD FOR BUSINESS"!
