

KEEP AMERICA BEAUTIFUL AFFILIATE

## Take The Pledge!

Sometimes we need to have a reminder about what is important to our community. Join your entire city, partners, and supporters and sign our pledge. Urge your family and friends to do so as well. Together let's strive to make to Keep Jackson Beautiful.

All Jackson residents have a right to participate in the decisions which affect their lives and the city in which they live. This is **OUR** City! To **SEE** a difference, we must **BE** the difference!

**Learn.** I will find out how I can keep my community Beautiful.

**Act.** Reduce my personal waste by recycling and pick up waste I see. Within the next month, I will recycle and pick up litter more.

**Share.** In the next month, I will encourage one family member or one friend to take the pledge.
